

# GLOBAL ADVANCED PRACTICE SUMMIT

13 MAY 2025 | ONLINE CONFERENCE

## ASSOCIATION PACKAGE

### PACKAGE DETAILS

The Global Advanced Practice Summit 2025 is the premier international event for advanced allied health and nursing professionals, bringing together leaders, innovators, and practitioners from around the world.

Your association can partner with the Summit and obtain:

- **Professional Development and Networking:** Five tickets for your representatives to join both the Summit and the Global Advanced Practice Network, enhancing their professional growth and networking potential, and boosting your association's profile.
- **Exclusive Offer for Your Members:** Your members are eligible for a 20% discount on registration right up until the Summit date for both the Summit and the Network—an attractive benefit that strengthens your membership offering.
- **Increase Your Association's Visibility:** Prominent display of your logo on the Summit and Network website, and key marketing content, positioning your organisation alongside global leaders in health.

For a limited time we are offering associations the opportunity to participate, in the following categories:

- **Small Associations** (<500 members) = **\$500**
- **Large Associations** (>500 members) = **\$1,000**

Secure your association's place today and amplify your impact in the allied health community.
